

## New UI FAQ #6

### How to Mark a Result as Do Not Upload

To mark a result as do not upload, the 'Results'  must be in **Evaluate** or **Upload Failed** status.

1. Select the **Result**
2. Access the **Do Not Upload** action by using either:
  - a. The right click menu

- b. The more actions button (vertical ellipsis) at the top right corner of the page

3. Multiple results can be selected when applying the **Do Not Upload** action.
4. After applying, eligible results will have their statuses transitioned to **Do Not Upload**.
