

## ID NOW™ AND DIGIVAL™

# EQUIPMENT PROTECTION PLAN (EPP)

- Extends manufacturer's warranty and cover accidental damage incidents (up to 2 per instrument, per year)
- EPP may be purchased for up to 2 additional years, extending the current 2 years manufacture warranty
- Customers may purchase the EPP upon initial purchase of analyzer upfront or during initial 12 months from purchase
- Provides coverage on ancillary scanners and printers
- Abbott has the right to replace with either new or refurbished equipment
- All warranty replacements must be processed through Abbott Technical Services
