**DONOR RESULTS SHOWN ON ABOVE**  
To copy POCT results, place form face down on photocopier or scanner. Place device with test window over clear square above.

Presumptive positive specimen sent to lab for confirmation:  Yes  No Date: \_\_\_\_\_

Specimen ID Number: \_\_\_\_\_ (Optional field applicable only if specimen is confirmed at the lab)

### QUESTIONS? CALL 800-255-2159 OR EMAIL SALES@REDWOODTOXICOLOGY.COM

\*All presumptive positive results should be confirmed using Gas Chromatography-Mass Spectrometry (GC-MS) or Liquid Chromatography with Mass Tandem Mass Spectrometry (LC-MS/MS) at a certified laboratory. A laboratory account is required to order laboratory test requisition forms and prior to sending presumptive positive specimens into the laboratory. To setup a laboratory account please email sales@redwoodtoxicology.com.

**PRESUMPTIVE POSITIVE RESULTS:** For laboratory confirmation testing of presumptive positive results; a laboratory test requisition form must be completed, and the sample securely sealed with specimen ID barcode seal from the test requisition form. If you do not have test requisition forms, please contact sales@redwoodtoxicology.com to obtain the proper test requisition form/ specimen ID seals and appropriate shipping supplies.

**NEGATIVE RESULTS:** If negative results are observed, photocopy or scan the device results and retain a copy for your records. The used collection container and device should be discarded according to Federal, state and local regulations.

**DISCLAIMER:** This form is provided as a convenience to our customers for their own use when using point-of-care tests.
